

Bee Campus USA Annual Report for 2018 Pollinator Conservation & Education

Southern Oregon University Ashland, Oregon

EDUCATION & OUTREACH

Photo by: Larry Stauth, Jr.

SOU celebrated Arbor Day, Earth Day and National Honey Bee Day.

POLLINATOR HEALTH & HABITAT

Pollinator gardens have been installed at multiple locations on campus in cooperation with the Campus Bee Club, ECOS, and volunteers (May-July 2018).

POLICIES & PRACTICES

Former landscape supervisor Mike Oxendine left SOU in 2018 and was replaced by Zack Williams. Zack will reconstitute the committee to meet quarterly to plan pollinator awareness and garden projects.
