

Bee City USA - Garden City

Report on 2022

Pollinator Habitat Creation & Enhancement

Continued with enhancement efforts expanding the existing pollinator garden.

How many habitat projects did you help to create or enhance last year?

1

How many total square feet of habitat were created or enhanced?

20

How many volunteers helped with those projects?

5

Please check all that describe the habitats your affiliate helped to create or enhance last year with pollinator benefit in mind.

- Flower garden
- Natural area with tree snags and stumps, and bare areas for ground nesting species
- Native pollinator-friendly tree planting

Education & Outreach

Pollinator celebration was held at North End Organic Nursery (NEON) where the local Bee City group hosted a information table with plant giveaways in informational brochures.

How many pollinator-related events did your affiliate host or help with last year (in total)?

1

How many people attended those events (in total)?

50

How many Bee City USA logo street signs have you installed to date (in total)?

Did your city council/county commission (highest elected body) issue a proclamation for National Pollinator Week last summer?
Please note: this is now an optional activity.

- Yes

Policies & Practices

Continued previous efforts regarding no pesticides being used near existing pollinator garden.

What actions have you taken to make pest management practices more pollinator-friendly?

- **Avoided use of pesticides in public sites containing designated pollinator habitat or other sensitive features (except when targeted use is deemed the best option for invasive or noxious weed, insect or disease management)**

Are efforts underway in your community to further reduce pesticide use in residential or business areas? This may include neighborhood-led efforts, outreach to landscapers, etc. If so, please describe.

Not to my knowledge.

In your city or campus, are any policy initiatives underway to further protect pollinators, people or waterways from pesticides?

No

Please describe actions by your affiliate to attend training on ecologically-based Integrated Pest Management and/or to review IPM plans and programs considered of high quality by Bee City USA?

No such training has been attended to my knowledge.
