

Bee City USA - Orland

Report on 2022

Pollinator Habitat Creation & Enhancement

How many habitat projects did you help to create or enhance last year?

1

How many total square feet of habitat were created or enhanced?

20

How many volunteers helped with those projects?

8

Please check all that describe the habitats your affiliate helped to create or enhance last year with pollinator benefit in mind.

- **Native pollinator-friendly shrub border/hedgerow planting**

Education & Outreach

Our group struggled with pandemic reopening and health issues of members, but conducted a successful Pollinator Garden Contest and supported a planting of two native pollinator-friendly plants in front of the City Library. We worked closely with the Honeybee Discovery Center board of directors all year.

How many pollinator-related events did your affiliate host or help with last year (in total)?

2

How many people attended those events (in total)?

30

How many Bee City USA logo street signs have you installed to date (in total)?

4

Did your city council/county commission (highest elected body) issue a proclamation for National Pollinator Week last summer?

Please note: this is now an optional activity.

- No

Policies & Practices

Are efforts underway in your community to further reduce pesticide use in residential or business areas? This may include neighborhood-led efforts, outreach to landscapers, etc. If so, please describe.

In your city or campus, are any policy initiatives underway to further protect pollinators, people or waterways from pesticides?

Our group earned its 501C3 designation from the IRS in 2022, enabling a more robust fundraising and effective project management effort.

Please describe actions by your affiliate to attend training on ecologically-based Integrated Pest Management and/or to review IPM plans and programs considered of high quality by Bee City USA?
