

# Bee City USA - Royal Oak

Report on 2024

## Pollinator Habitat Creation & Enhancement

*Please describe pollinator habitat creation or enhancement projects in your community in 2024, and whether your committee hosted them or not.*

**In 2024, we converted an under used pocket park into a series of pollinator friendly gardens and lawns totaling more 7,000 square feet.**

*How many habitat projects did you help to create or enhance in 2024?*

**1**

*How many projects benefit monarchs, milkweed, or nectar plantings?*

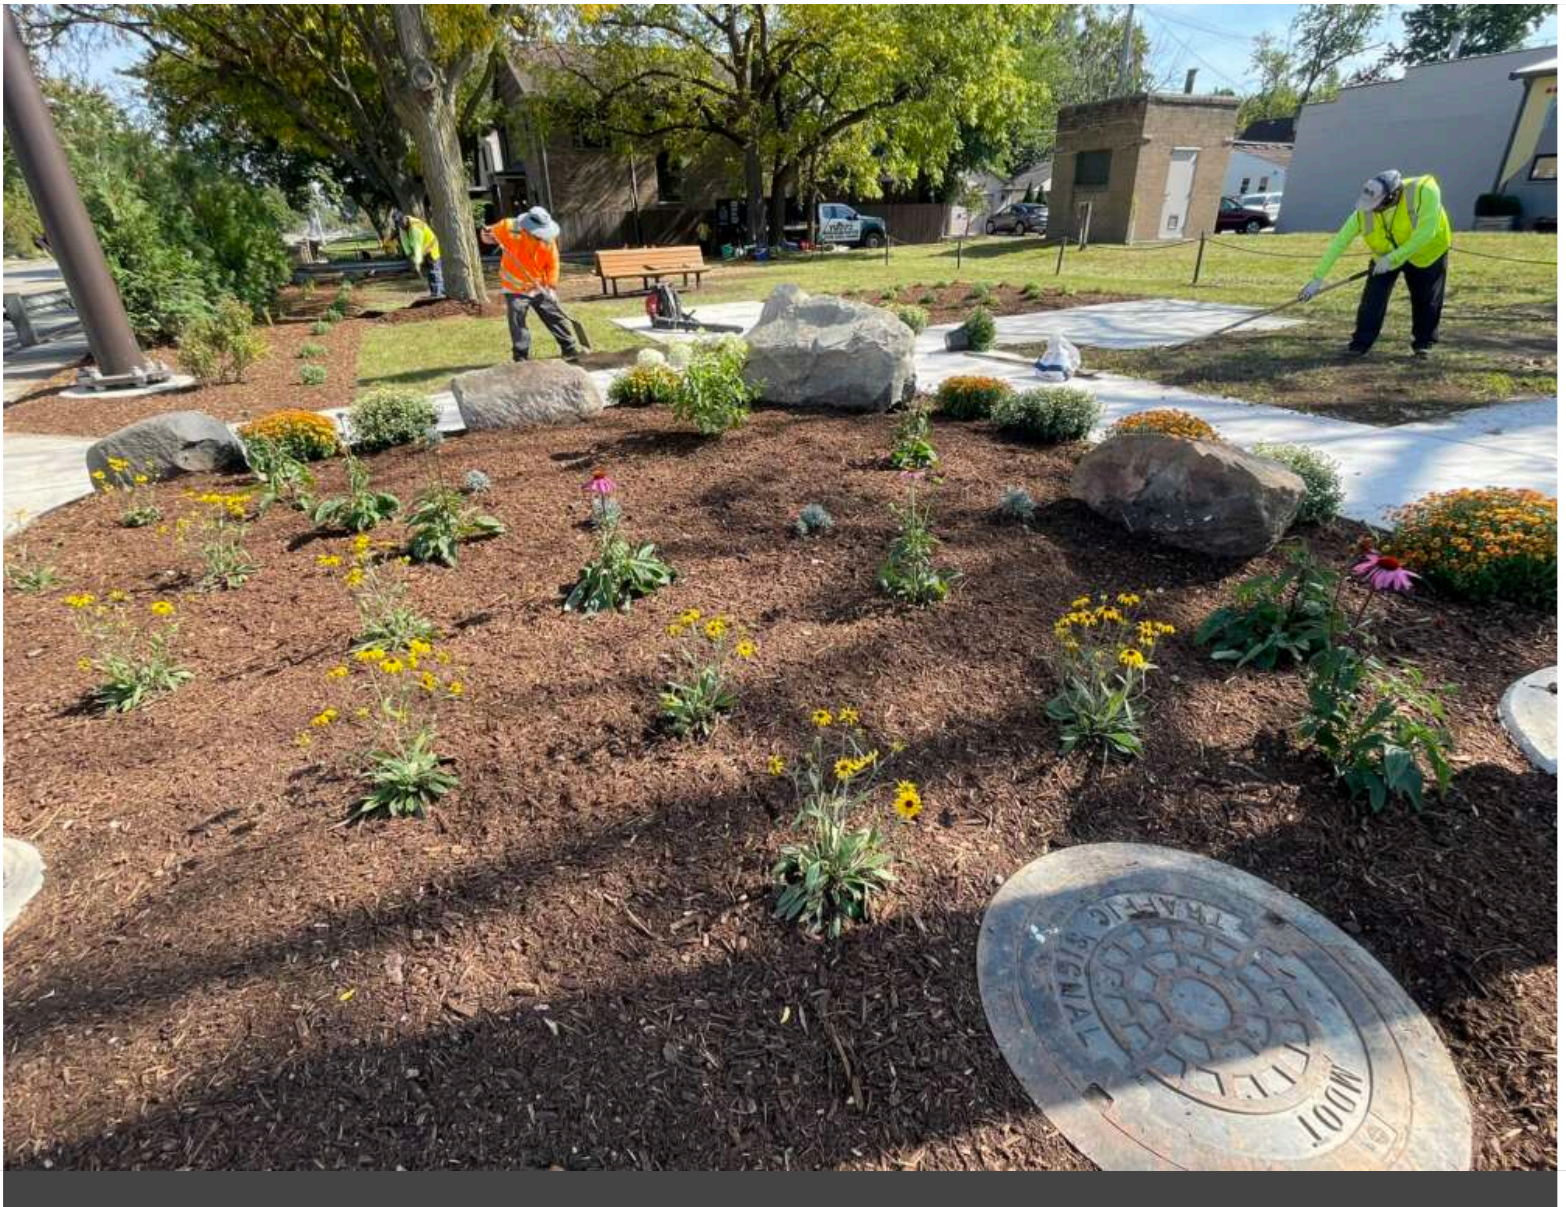

**1**

*How many total square feet of habitat were created or enhanced?*

**7182**

*Please check all that describe the habitats your affiliate helped to create or enhance in 2024 with pollinator benefit in mind.*

- Flower garden
- Pollinator-friendly lawn (with flowering clover, dandelions...)

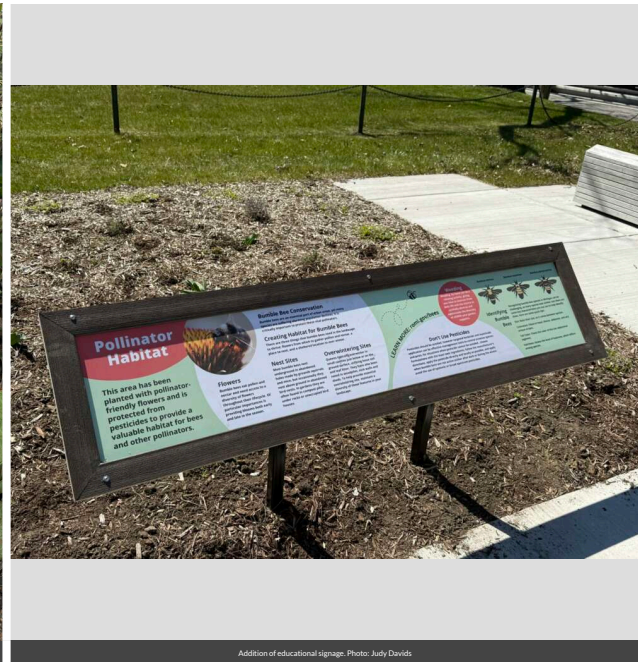

## Education & Outreach

*Please describe pollinator conservation events or outreach activities in your community in 2024, indicating whether your committee hosted them or not.*

**We continue to promote No Mow May. In 2024, we began promoting Leave the leaves in the fall. Both campaigns are promoted via the city's Insight magazine, which is delivered to every address in the City of Royal Oak.**

*How many pollinator-related events or outreach activities did you host or help with in 2024 (in total)?*

How many Bee City USA logo street signs have you installed to date (in total)?

## Policies & Practices

*Please describe actions taken to make pest management more pollinator-friendly.*

**The city no longer uses pesticides.**
