

Bee City USA

Application Preview

This is a preview of questions on the Bee City USA application. You can use this to gather your responses before copying and pasting them into the official application. You can start an application anytime and save your work as you go. Application Registration: <https://beecityusa.org/apply-to-bee-city-usa>.

Applications are approved on a rolling basis. Once approved, you can proceed with paying the application fee by logging in and navigating to their "Fee Payment" tab. A generic invoice and Xerces Society's W9 is available on that tab as well. You can pay by check or credit card. Payment can be made by any entity on behalf of the city. Once payment is received by Bee City USA, we will certify the city/county/township within about two weeks and send an official announcement, template press release, and image for social media to the emails included in the application and profile tabs.
